**Certificate**

**of Correction**

Sir:

The patentees hereby request issuance of a certificate of correction pursuant to 35 USC § 254 and 37 C.F.R. § 1.322 (a)(1)(i) for the above patent. The certificate is needed to add the Jurg R. Pfister to the list of inventors, which appears on the front page of the patent as heading (75) Inventors:. During prosecution, Jurg R. Pfister was properly added as an inventor, pursuant to 37 C.F.R. § 1.48(a). In support of their request, Applicants attach herewith a copy of the Official Communication mailed on August 11, 2005, acknowledging this fact. The Patent issued on October 4, 2005, but Jurg R. Pfister was not named as an inventor. Since the inventorship was properly changed during prosecution, the error is correctable under 37 C.F.R. § 1.322 (a)(1)(i) due to a mistake of the Office.

A PTO-1050 form for the certificate of correction is attached. Please charge any required fees to Deposit Account No. 13-2490.

Commissioner for Patents

In view of the papers filed March 21, 2005, it has been found that this nonprovisional application, as filed, through error and without deceptive intent, improperly set forth the inventorship, and accordingly, this application has been corrected in compliance with 37 CFR 1.48(a). The inventorship of this application has been changed by adding Dr. Jurg R Pfister as an inventor.

The application will be forwarded to the Office of Initial Patent Examination (OIPE) for issuance of a corrected filing receipt, and correction of Office records to reflect the inventorship as corrected.
